Area Communities Plan Services For War Dead

Parades, speeches and sports will mark the observance of Memorial Day next Thursday in most communities in the area.

At Mokena the parade, led by members of William Martin Post, VFW, will form in front of the post hall on Wolf Rd. and move off at 10 o'clock.

The Mokena Grade School band will take part in the parade as will the Boy Scouts Girl Scouts, the Woman's Auxiliary of the VFW and the Woman's Auxiliary of the Mokena Fire Department and other organizations.

A firing squad will fire volleys in honor of the war dead in the three cemeteries, St. Mary, Pioneer and St. John's, and at each place a bugler will sound Taps.

A parade will also highlight observance of the day at New Lenox with the Harry E. Anderson Post, VFW, in charge. The parade is to start at 10:30 from the Oakview School grounds and proceed south on Cedar Rd., thru the village and on to Maplewood Cemetery, where the Rev. Herbert George, pastor of the New Lenox Methodist Church, will be the speaker.

The New Lenox Grade School band will march, as will the Cardinals Marching unit, pupils from the Minuth School of Dance, members of the fire department, the Lions Club and the Association of Commerce. Those in charge of the program said that anyone who wants to march is welcome to take part in the parade.

After the parade the VFW Post will serve refreshments at its post hall, 323 Old Hickory Rd.

At Frankfort Memorial Day is an all day celebration. There will be a parade in the morning, starting at 10 o'clock from the Frankfort Grade School grounds. It will move north on Ash St. to Kansas St. and then

west where it will halt in front of the village hall while a wreath is placed at the veterans monument there. The parade will move on then to end at Nebraska St. where the school children, who had marched to this point, will be placed on buses for the trip to Pleasant Hill Cemetery where the youngsters will place flags on the graves of war veterans.

The grade school band will take part in the parade, as will the Bobzin Swinford Post, American Legion, which is in charge of this part of the program, Boy Scouts, Girl Scouts, and the Dominos, an all girl Color Guard unit that has won many prizes for marching.

After the ceremonies at the cemetery the action will be transferred to the Frankfort Community Park. Mayor Glenn Warning will give a brief speech of welcome at noon. The Frankfort Grade School band will then give a 30-minute concert and at 1 o'clock the Little Leaguers will play ball.

There will also be a ball game between the Lions Club and the Frankfort Pony League team.

A volleyball tournament with teams from the various churches of the community will begin at 2 o'clock and at 3 p.m. the new tennis courts will be formally dedicated and a tennis tournament will be staged.

Prior to this, however, at 2:15 o'clock, the tennis courts will be the scene of a kiddy parade, for young-

sters from pre-school age thru third grade.

There will be snack and soft drink stands and a bake sale also will be held.

The annual Memorial Day supper will be served at St. Peter's Church. Serving will be from 5 to 7 o'clock.

Then at 7 o'clock the Lions Club will stage its annual Turtle Derby in grade school gym. Youngsters will serve as "jockeys" for the owners -- the owners being those adults who have bought a turtle. Since there is a comfortable margin between the buying price and the selling price of these turtles the Lions club makes some money for use in its various charitable and public service enterprises.

At Orland Park the Chamber of Commerce, which is planning a celebration of the Fourth of July, is to decide tonight on whether it will sponsor a celebration of Memorial Day, it was reported Monday.

Dear friends,

Because of the diversity of religious beliefs and doctrines, it would be presumptuous for any funeral director to attempt to analyze or appraise any or all of these. But one thing is certain - the funeral can and often does reinforce or even originate a person's belief in survival after death.

Respectfully,

Frankfort Park Board To Organize

Organizations of the board of Frankfort park commissioners will take place after Memorial Day, altho the exact date has not been set. It will be prior to June 10, however, as the organization must take place within 30 days after the election, it was explained.

The five park board members, Donald Stupp, Janet (Mrs. Raymond)Page, Dr. Merrill Otto, David Zechlin and Wilbur Hossbach, were elected May 11, at the same referendum at which formation of the Frankfort Park District was approved by a vote of 72-60.

One of the first pieces of business to confront the commissioners after they decided the length of their terms and elected officers, it was said, will be the preparation and adoption of an appropriation ordinance and, passage of a tax levy ordinance.

This will be necessary so that in 1969 the district will be able to collect taxes. For the next 12 months the district will not have any funds of its own. Thus, the village board and organizations that have been maintaining Frankfort Community Park will continue with their efforts.

At the meeting of the Frankfort Village board this week Trustee Gerald Francis, chairman of the park committee, suggested that the board give some study to

the question of what to do with the park. Title to the property vests in the Village of Frankfort, Village Attorney August Santoro pointed out recently when it was decided to locate the new well the village needs in a corner of the park.

Whether the village will deed the property over to the park district or lease it, is something the trustees will have to decide, it was explained.

The Frankfort Park District excludes Lincoln Estates. Hickory Creek is the north boundary. It follows U.S. 30 west to Wolf Rd., thence south to Laraway Rd. East of U.S. 45 the northern boundary is St. Francis Rd. with a width of approximately half a section. It holds this eastern line to a point about half a mile south of U.S. 30, where it turns east for half a mile east of Pfeiffer Rd., then south for the approximately half a mile; then west to Pfeiffer Rd., south on Pfeiffer to Steger Rd., thence west about half a mile, north half a mile and then west to Center Rd. where it joins the western portion of the district.

Two of the new park commissioners will serve for six years, two for four years and one for two years. The regular term is six years. Park board members are elected in the odd years.

Arbury Hills

Civic Assoc. Slates Officer Candidates

Mrs. Edward Hovi
Telephone: 479-5740

The Arbury Hills civic association held their general membership meeting at the school last Tues. evening.

The May meeting is the

meeting scheduled for the annual election of officers for the coming year.

There were fifty-eight votes cast with the results being the election of Robert Clendenning, president; Joseph Farnham, vice pres.;

and Peggy Clendenning, secretary-treasurer. The five elected for the board of directors were: Thomas Fletcher, Robert Nauman, Marty Reidy, Dan Markowski, and Dan Rankin.

Gordon Brosmore voiced the information he received from the County treasurers office concerning the payment of delinquent personal property taxes, when he called for official explanations of procedures.

He was told that the days of ignoring the tax are past. The tax will be enforced. Those who have already received an official summons will pay all taxes and penalties due including court costs. Those whose names are now being processed for receipt of a summons can save court costs by appearing at the County Treasurers office and paying all taxes and penalties. Those whose names are not as yet being processed for a summons may save the penalties by appearing at the County treasurers office and paying in full for all current and delinquent taxes.

Mr. Leutgert, the building contractor who is beginning construction here in our community, was present at the meeting to answer any questions of those attending, and answer he did for approximately an hour.

For the second year in a

row the Baseball League had the rainmakers against them for their opening day celebration. Two days of off and on rain situation prevented the playing of the double header games.

At least there was a break in the rain to allow the parade to continue without all entrants needing to know the fundamentals of swimming.

There were three judges on the reviewing stand to determine the recipients of the four trophies, one in each category. For best of the Fire Departments was the Mokena Fire Department; for best of the Marching Groups was the Royal Lancers; for Best Float was the Arbury Hills Civic Association; and for Best Entry was The Diamonds.

The three judges; Mayor Book of Mokena, Mayor Fulton of Tinley Park; and Mayor Warning of Frankfort presented the awards following the parade at the ball field.

The float by the civic association was constructed by the combined efforts of Donna Kennard, and Susan, Jean and Linda Osuch with a big boost from Knipples' Phillips 66 Service Station in Frankfort providing the trailer without charge for the group. Lots of work well done one and all.

The all-family picnic sponsored by the Summit Hill Parent-Teacher Group, will be held this Sunday afternoon at the Mokena community park on LaPorte Road.

The children will be presented with tickets for a free ice cream and soda pop, and any other may be purchased by the people at regular cost.

St. Mary's of Mokena held their annual mother-daughter Breakfast last Sunday morning which was served by an assortment of energetic men. Very good sir, and the ladies had service.

**120 great ways
to win freedom from
oven-cleaning.**

15 chances each week to win a free self-cleaning electric range.

Enter now. Faint later.

Because all you need, to escape oven-cleaning forever, is a new electric range with a self-cleaning oven. And you could win one in Commonwealth Edison's Great Escape Sweepstakes.

Fifteen new electric ranges with self-cleaning ovens will be given away free each week during April and May. 120 in all, from these brands: Frigidaire, General Electric, Hotpoint, Kelvinator, Kenmore, Philco, Signature, and Westinghouse.

All you do to win is go to your dealer, fill out an entry blank, and drop it in the box. And wait.

box. And wait.

If you can't wait—buy any new electric range, and we'll install the necessary wiring free. (That could save you \$100 or more, right there.) And should you turn up a winner after buying a new electric range (if you bought it during the Sweepstakes), we'll refund your full purchase price in place of the regular prize, if you want.

So if you'd like to escape from oven-cleaning forever, go ahead and win a new self-cleaning electric range. Or buy one. But either way, don't hold back. Take the easy way out.

GREAT ESCAPE SWEEPSTAKES is open, April 1 through May 31, 1968, to all residents of the area served directly by Commonwealth Edison. Entries must be made on official entry blanks available at participating dealers'. NO PURCHASE NECESSARY.

FREE WIRING INSTALLATION applies, for a limited time only, to a standard wiring installation for a new electric range in single-family dwellings served by Commonwealth Edison.

Only electric ranges have self-cleaning ovens.

Women are now shopping for wigs the same way they do for any fashion item, and as they are more apt to purchase a hair piece if it is presented in a pre-styled manner, wig stylists are keeping up with hair trends, even though the wig or hair-piece can be re-styled by the woman after she purchases it.

Medium length wigs with surface interest — waves and curls — are also coming into the picture. One curious thing has been noted: women are beginning to wear their own hair with an eye to how they will look in a wig, so we can expect to see a move towards the time when wigs are going to exert an influence on hair styles!

Elegance is coming back to wall decoration. You can update your rooms now by adding cornice molding around the room where walls and ceiling meet, and by adding this detail also to flat surfaces, such as baseboard molding, both at floor level, and at the top of chair level. Not only does this add attractiveness, but, as grandma knew, it protects the wall from scuffs and bumps. Strips of molding are even being used on plain furniture, such as chests and bookcases.

It appears that pedigree dogs are replacing roommates these days in the big cities across the country. While a Yorkshire, Poodle, Russian Wolfhound, or just plain all-American dog won't contribute much in the way of rent and expenses for the young career woman, it will give protection and security in her apartment, lend her an aura of chic and sophistication on the street, and perhaps even be the source of interesting introductions. What more could you ask?

"Somebody said that in order to live off of a garden, you practically have to live in it."
—J. D. Eldridge, Overton (Tenn.) County News.
